Legislative Hearing Notes (if any)

Reduce assessment from \$300 to \$150.

Thomas Huynh, owner, appeared.

Inspector Yannarely reported that the assessment for 896 Duchess Street is for failure to remove snow from the public sidewalk. Orders were issued January 6, 2011 with a compliance date of January 11, 2011. It was re-checked on January 11, 2011 and found to be in noncompliance. A Work Order was sent to Parks and the work was done on January 13, 2011 at a cost of \$160 plus a service charge of \$140 for a total of \$300.

Mr. Huynh stated that he had just bought the building and he was working on it when he received a letter from the City about the sidewalk. He called in to say he received a letter about shoveling the sidewalk so he went

out and shoveled it. The guy said that he would come out and look at it and he would call Mr. Huynh if he had a concern. About ten (10) days later, he was there again working and he saw the City crew there. He asked why they were there. They said to shovel the sidewalk the full width. (Mr. Huynh had shoveled but was unaware that he needed to shovel it full width.)

Inspector Yannarely explained that Mr. Huynh actually got two (2) Notices. On December 29, 2010, Mr. Fiel entered the snow letter. Five (5) days later, it was still not done, but Mr. Huynh had called and said he would do it that day. On January 6, 2011, Mr. Fiel went back to check and the walk was shoveled only very narrowly, so, he issued a Summary Abatement Notice. On January 11, 2011, he re-checked and the sidewalk had only a very narrow path that was shoveled. Then, he sent the Work Order.

The video was viewed showing the City had done the work, shoveling full width.

Mr. Huynh bought the property in October 2010; he has no history in the record. The previous owner had four (4) in less than a year. The neighbors had complained about him a lot and they have been watching carefully how Mr. Huynh has been taking care of the property. Mr. Huynh doesn't understand why his property was signaled out and not some of his neighbors.

Ms. Moermond stated that Mr. Huynh made a good faith effort so, she will recommend reducing the assessment from \$300 to \$150.
