Final Order approving improvements at Johnson Parkway and Maryland Avenue to increase safety at the intersection. (File No. 19135)

In the matter of improving Johnson Parkway and Maryland Avenue to increase safety at the intersection with Maryland Avenue. Improvements include altering medians to construct turn lanes with bituminous pavement and concrete curb and gutter, removing an unused driveway apron and opening in the median, upgrading pedestrian ramps to current ADA standards with 2 separate ramps in line with the sidewalk in both directions, and modifying existing traffic signal at the intersection of Maryland and Johnson Parkway to include an accessible pedestrian signal system.

Under Preliminary Order: RES 12-931 approved 6/6/2012

WHEREAS, the Council of the City of Saint Paul has conducted a public hearing upon the above improvement, due notice thereof having been given as prescribed by the City Charter; and

WHEREAS, the Council has heard all persons, objections and recommendations pertaining to said proposed improvement and has fully considered the same; now, therefore, be it

RESOLVED, that the Council of the City of Saint Paul does hereby order that the above-described improvement be made, and the proper City officers are hereby directed and authorized to proceed with the improvement; and be it

FURTHER RESOLVED, that upon the completion of said improvement, the proper City officers shall calculate all expenses incurred therein and shall report the same to the City Council in accordance with Chapter 14 of the City Charter.
