Staff Comments: Although the payment is shown to have been made on 1/4/19, Waste Management turned over this delinquent payment to the City on 1/5/19. Their billing system applied the payment made for \$96.08 on 1/4/19 to the property owner's Quarter 1 2019 bill, not the Quarter 4 2018 bill. According to the information provided by the property owner, an additional payment of \$96.08 was made on 2/6/19. The property owner has essentially prepaid for the Quarter 2 2019 bill. The property owner is still responsible for making the payment for the Quarter 4 2018 bill, which includes service for 1 64-gallon Medium cart, but no late fees.
