File #: RES 13-1187, Version: 1

Approving the changes to the City's Municipal State Aid Street (MSAS) System as recommended by the Department of Public Works and needed for submission to the Commissioner of Transportation of the State of Minnesota for approval.

WHEREAS, The City Council of Saint Paul, Minnesota, upon recommendation by the Director of Public Works, approves changes to be made to the Municipal State Aid Street (MSAS) System in order to fund capital and maintenance projects using State Aid funds throughout the City, and

WHEREAS, these roadway designation changes are requested as a result of changes being made to how 'Needs' are calculated which ultimately impacts the amount of State Aid funds the City receives annually, and

WHEREAS, additional roadway designation changes are being requested because of the Central Corridor Light Rail Construction along streets which are no longer in compliance with State Aid standards and therefore need to be revoked, and

WHEREAS, additional MSA roadway designations are being revoked because of the realignment of TH 35E taking place under the TH 35E/Cayuga Interchange Project, so

NOW THEREFORE BE IT RESOLVED by the City Council of Saint Paul that the streets described as follows:

Location:	Route:
Victoria Street - Thomas Avenue to Pierce Butler	MSAS 210 (0.36 miles)
