Appeal of Ronald Staeheli to a Notice of Condemnation as Unfit for Human Habitation and Order to Vacate at 633 PALACE AVENUE. (Also see RLH VO 11-77.)

Tenants are denying access to building. Completing 30 items in 30 hours is unreasonable. Many items passed inspection up to 9 times in current condition. Basically calling for a code compliance. There is no explanation of what is unsafe or dangerous on the furnace. Water heater venting passed a correction order 2 yrs. ago in current condition. Calls are vague and do not reflect violations of code. Upper unit shares no air with basement, should not be included in condemnation.
