Appeal of Lara Merrill to a Summary Abatement Order at 609 WELLS STREET.

609 Wells was signed off as a Cat 2 in 2008, and since has had rental license/occupancy which means the parking area has always been sufficient. I was told by code 'paved surface' was passed two/2 years ago; Zoning stated "2001." I believe the parking area is sufficient as it has been the past 50 plus years. I disagree with concrete/asphalt to this beautiful backyard of this property. Also, why now is this issue being addressed? Thank you for your time.
