18 Acker St E, Ward 5

Auto Repair Garage license

1. Customer and employee parking shall be in accordance with the approved site plan, dated January 5, 2011. Parking spaces shall be delineated on the paved surface with painted lines by July 1, 2011. A maximum of seven (7) total vehicles associated with this business (including both customer and employee vehicles) may be parked on the exterior of the premises at any time. No parking or vehicle storage is allowed in the front of the building (north side) adjacent to Acker St. [refer to site plan for area delineated as no parking areas].
2. There shall be no exterior storage of vehicle parts, tires, oil or any other similar materials associated with the business. Trash and discarded vehicle parts will be stored in a covered dumpster. Licensee shall obtain a Hazardous Waste Generator License from Ramsey County Solid Waste Division and; shall abide by the provisions of that license with respect to the safe handling and disposal of waste oil, filters, tires, batteries, etc.
3. Customer and employee vehicles shall not be parked or stored on the street or alley. This includes cars which have been repaired and are awaiting pick-up by their owners.
4. All repair work must occur within an enclosed building. No repair of vehicles may occur on the exterior of the lot or in the public right-of-way.
5. Vehicle salvage, a principal activity of obtaining and dismantling motor vehicles to salvage and sell usable parts, is expressly not permitted.
6. Vehicles may not be parked longer than 10 days on the premises. It shall be the responsibility of the licensee to ensure that any vehicle not claimed by its owner is removed from the lot as permitted by law.
7. The business activities on the licensee premises shall operate in compliance with all federal, state, and local laws. Failure to remain in compliance will result in adverse action against the license.

The District 6 Planning Council submitted a letter of support subject to the licensee agreeing to the conditions recommended by DSI, and that the license conditions be modified to reflect the number of parking spaces as required under the City's Zoning Code.
