Appeal of Bill Bernier to a Fire Inspection Correction Notice at 287 PAGE STREET EAST.

The order for the removal, repair & rebuilding of the fallen part of the retaining wall belonging to the neighbor is being appealed because this wall belongs to and exists for the sole benefit for the neighboring properties with no benefit at all to my property. This wall was apparently built by these property owners so they would be able to build sheds up to the very back inch of their lots. These sheds--one of which is gone--were also built without regard to the proper rear set back requirements and, therefore, needs to be moved.
