Appeal of Jeff Sutphen to a Vacant Building Registration Notice at 594 CASE AVENUE.

Building was occupied until the 7/1/14 inspection, and had been kept up to date and passed Section 8 inspections within the previous year. Destructive tenants were evicted, I am getting a new maintenance crew, and I would like an extension of time to prepare for new occupancy. Also, the Deficiency List contained items of general guidelines, which were not actually deficient.
