Returned Mail/Notice Concerns?:

Stated Reason for Appeal (if given): I purchased this property June 20, 2022. This bill is not mine as the seller still owned this property during its delinquent payments.

Staff Comments: Hauler records show that service was provided for one 64-gal cart during Q2 2022. The reason that the invoiced amount was less than the base cost of a 64-gal cart was due to a credit being applied to the account for a service hold during Quarter 1 2022 for one of the residential units. Since the current property owner is responsible for all currently pending assessments on the property, staff recommends approving the assessment.

WHEREAS, the Office of Financial Services Real Estate Section has attached to this Council File both a report of completion outlining the costs and fees associated with Collection of Delinquent Garbage Bills for services during April to June 2022. (File No. CG2203A1, Assessment No. 220109) and the assessment roll including all properties for which these assessments are proposed for Council ratification; and

WHEREAS, the City Council's Legislative Hearing Officer has reviewed an appeal of this assessment and developed a recommendation for the City Council with respect to this assessment; and

WHEREAS, a public hearing having been conducted for the above improvement, and said assessment having been further considered by the Council and having been considered financially satisfactory; Now, Therefore, Be It

RESOLVED, that pursuant to Chapter 14 of the Saint Paul City Charter, said assessment is hereby ratified and payable in one installment.
