Appeal of Jonah Ogamien to a Revocation of Fire Certificate of Occupancy and Order to Vacate at 506 SNELLING AVENUE NORTH.

The timing is not perfect, outside painting can wait until snow is over. For economic reason, need help for any city funding for repair outside. Need time for 506 and 508 Snelling Ave. N.

November 27, 2013

Kris Skow-Fiske

For 2013, revocation follows 4 inspections and 1 extension on vacate order. For 2011 and 2009, Fire C of O only granted after 4 inspections. On 12/27/13 reinspection, inspector indicates very few corrections done throughout building. 2 of the 22 items on the 11/27/13 orders require a permit. No permits have been pulled for building. 1 item requires documentation from contractor that the hood and duct fire suppression system have been serviced every 6 months, which has not been forthcoming. Restaurant owner indicates he did not get a copy of the ongoing 2013 orders from the building owner, but rather from the inspector on 12/27/13 at the request of the City Council.
