Administrative order to correct the Department of Safety and Inspections (DSI) general fund revenues budget WHEREAS the 2012 Adopted Budget for the City of Saint Paul was adopted in the City's new Lawson Budgeting and Planning (LBP) system, and

WHEREAS actual 2012 spending will take place out of the City's legacy Financial Management System (FMS), and

WHEREAS RES 11-2437, which approved the 2012 City of Saint Paul budgets, was adopted by City Council on December 14th, 2011 and states that "the Director of Financial Services is hereby authorized to prepare the final 2012 Budgets in accordance with the actions taken herein and to equalize, balance or set the final department revenue sources and department appropriations as necessary", therefore be it
