The video recordings shall be kept by the license holder for at least thirty (30) days and shall be available for viewing by the Saint Paul Police Department (SPPD) immediately upon request. In addition, if the SPPD responds to a call at the licensed premises, and due to the crime, requests that a copy of the surveillance footage be immediately provided, the license holder shall have technology available to make the copy at the time of the request and shall have it for the police without delay. In other cases, if the SPPD or the Department of Safety and Inspections (DSI) requests copies of the surveillance tapes, licensee shall have a 48-hour period in which to provide such copies.

9. The licensee shall schedule a meeting with the District 6 Planning Council on or before April 1, 2011, to provide a forum to discuss any neighborhood issues regarding this establishment.

This license was originally issued on 9/29/2010. In April of 2011, Shannon Issac contacted DSI regarding a modification to license condition #4. **On 5/4/2011, Ms. Issac submitted a request to change license condition #4 to allow Jeff Rauschnot to be employed at the establishment. New condition #4 would state as follows (line through word removed, and underlined portion added):**

4. Jeff Rauschnot cannot ~~be employed or~~ have any managerial responsibilities associated with the business and/or its operation (e.g., hiring/firing employees, issuing orders to employees, ordering product, etc.), nor have any financial interest in the corporation holding the liquor license. Jeff Rauschnot may be employed

Monday thru Sunday between the hours of 7:00 a.m. to 3:00 p.m. as a cleaner, bartender, or in a similar type of occupation.

The District 6 Planning Council submitted a letter recommending denial of the license modification request. Their letter stated being unable to understand why the applicant would originally claim Jeff Rauschnot would not be part of the business operation during the initial review of the application, then so soon after the license was issued want to add Mr. Rauschnot to the business operation.
