File #: ABZA 16-9, **Version:** 1

Public hearing to consider the appeal of the Summit Hill Association of a decision by the Board of Zoning Appeals (BZA) approving variances of the front setback requirement and of the requirement that a garage cannot be in front of a house, in order construct a new, two-car detached garage in the front yard of 201 Victoria Street South.

See attached resolutions.

On August 1, the Board of Zoning Appeals (BZA) duly conducted a public hearing where all persons interested were afforded an opportunity to be heard. However, due to the lack of the 4 votes required to make a decision, the case was laid over until the following BZA meeting on August 15, on which the Board voted to grant the requested variances. Summit Hill Association is appealing the the Board's decision.
