Staff Comments: Property owner is unable to come to the hearing, but would like his statement read out loud. This property is a triplex. It was delivered 1 Large 96-gallon cart and 2 Medium 64-gallon carts on 9/8/8, prior to the start of citywide garbage service. The property owner states that he is only using one of the garbage carts at the property for his three units. The other two carts have remained unused. Citywide garbage service requires a garbage cart for every occupied unit. The property owner is responsible for paying this delinquent charge.
