Returned Mail/Notice Concerns?:

Stated Reason for Appeal (if given): I specifically requested two small carts (weekly service) during the sign up period last Fall (I responded to the notice I received in the mail), but I was wrongly given one small and one medium cart. The assessment in question here is for a medium sized cart. Thanks for looking into this! Chris Nielsen

Staff Comments: In the initial dispute, the property owner claimed that the 64-gallon Medium cart was placed on a temporary service hold. According to the information provided by Republic Services, they do not have a record of a service hold on file for this property. Additionally, service holds may not be used to avoid paying for service if a residence is occupied. The property owner received garbage service for the 64-gallon Medium cart from October through December and is responsible for the Quarter 4 2018 bill.

WHEREAS, the Office of Financial Services Real Estate Section has attached to this Council File both a report of completion outlining the costs and fees associated with Trash Hauling during Collection of Delinquent Garbage Bills for services during October to December 2018. (File No. CG1901A1, Assessment No. 190051) and the assessment roll including all properties for which these assessments are proposed for Council ratification; and

WHEREAS, the City Council's Legislative Hearing Officer has reviewed an appeal of this assessment and developed a recommendation for the City Council with respect to this assessment; and

WHEREAS, a public hearing having been conducted for the above improvement, and said assessment having been further considered by the Council and having been considered financially satisfactory; Now, Therefore, Be It

RESOLVED, that pursuant to Chapter 14 of the Saint Paul City Charter, said assessment is hereby ratified and payable in one installment.
