Appeal of James Schoffman to a Fire Inspection Correction Notice at 1012 ROSS AVENUE.

Driveway/Parking has always been in the same condition. Inspector claims it does not meet the new code. Appellant feels it should be grandfathered in as it has been the same from when it was built in 1900. This will be a hardship and burden of excessive cost to the owner. He has concerns that paving and water runoff will change the layout of the grade.
