Appeal of Damon Haywood to a Notice of Condemnation as Unfit for Human Habitation and Order to Vacate at 163 ACKER STREET EAST.

This order came about due to a crack in the street 100 yds. on the other side of the street from me. There is an odor from the contents coming out from a cracked pipe underground. We have been told this is due to our sewer issues, which are a root issue; however, this crack & many others in this area have been caused by heavy construction equipment going up & down this street continuously all day.
