Appeal of Kathy Panciera, on behalf of William Mitchell College of Law, to a Vacant Building Designation at 889 PORTLAND AVENUE.

Per letter from Appellant, "The College now has a buyer for the property, and in preparation for a sale, commissioned a Truth-in-Sale of Housing Disclosure Report, which revealed the classification as a Category 2 vacant building.

The College has always intended to comply with all code requirements of the City of Saint Paul and has made improvements to the house during its ownership of the building. At this time, we wish to appeal the classification as a Category 2 vacant building and respectfully request a change to Category 1."
