Appeal of Shoua Xiong to a Re-Inspection Fire Certificate of Occupancy With Deficiencies at 376 FULLER AVENUE.

#3 of the Correction Notice. It was noticed that a piece of duct tape was put on one section of the joined ducts and I removed the duct tape and reapplied aluminum tape and re-secured the entire duct. This work does not require a permit. It was installed originally by professional people from Appliance Company.

#4 These windows have been appealed and approved by this City inspector from previous inspection. I cannot fix the window size unless the building is torn down.
