Appeal of Darrell Kowarsch to a Vehicle Abatement Order at 241 SIDNEY STREET EAST.

I am appealing this because I'm currently laid off from construction and can't afford to pay to get my driver's license till I find employment. I checked on purchasing tabs, but can't get them without a drivers license. I can possibly get my license back in a month or so. Thank you.

Appellant says that the inspector gave him until February 25 to bring the vehicles into compliance. It appears that is the case when looking at STAMP.
