Resolution Approving the Issuance and Sale of a Conduit Health Care Revenue Bond, Series 2016 and Authorizing the Execution of Documents Relating thereto (Gillette Children's Specialty Healthcare Project) Districts 3, 5, and 17, Wards 2 and 5

WHEREAS,

(a) The purpose of Minnesota Statutes, Sections 469.152 to 469.1655 (the "Act"), as found and determined by the legislature, is to promote the welfare of the state by the active attraction and encouragement and development of economically sound industry and commerce to prevent so far as possible the emergence of blighted and marginal lands and areas of chronic unemployment;

(b) Factors necessitating the active promotion and development of economically sound industry and commerce are the increasing concentration of population in the metropolitan areas and the rapidly rising increase in the amount and cost of governmental services required to meet the needs of the increased population and the need for development of land use which will provide an adequate tax base to finance these increased costs and the need for access to employment opportunities for such population;

(c) The Board of Commissioners (the "Board") of the Housing and Redevelopment Authority of the City of Saint Paul, Minnesota (the "Issuer") has received from Gillette Children's Specialty Healthcare (the "Borrower"), a Minnesota nonprofit corporation organized under the laws of the State of Minnesota, a proposal that the Issuer assist in financing the expansion, renovation and equipping of certain health care facilities hereinafter described through the issuance of a revenue bond (as further defined below, the "Bond") pursuant to the Act;

(d) The Issuer desires to facilitate the selective development of the community, retain and improve the tax base and help to provide the range of services and employment opportunities required by the population, including health care services and facilities; and the Project described below will assist the Issuer in achieving those objectives and will enhance the image and reputation of the community;

(e) The "Project" to be financed by the Bond consists of (i) financing movable capital equipment to be located in space leased by the Borrower at 435 Phalen Boulevard, 455 Phalen Boulevard and 10 River Park Plaza, in the City of Saint Paul, Minnesota (the "City"); (ii) financing the expansion, renovation and equipping of approximately 31,125 square feet of the Borrower's existing inpatient rehabilitation and adult units, advanced imaging, registration, family experience and other related clinic space leased by the Borrower in Regions Hospital located at 200 East University Avenue and 640 Jackson Street in the City; and (iii) paying the costs of issuing the Bond (collectively, the "Project"). The facilities included in the Project will be owned and operated by the Borrower in space leased from Ramsey County, Minnesota and others;

(f) The Issuer has been advised by representatives of the Borrower that conventional, commercial financing to refinance the capital cost of the Project is available only on a

limited basis and at such high costs of borrowing that the economic feasibility of operating the facilities would be significantly reduced; and

(g) Based on representations of the Borrower, no public official of the Issuer or the City has either a direct or indirect financial interest in the Project nor will any public official either directly or indirectly benefit financially from the Project; and

(h) the Project will further the proposed policies of the Act, and the findings made in the preliminary resolution of the Issuer adopted on April 13, 2016 with respect to the Project are hereby ratified, affirmed and approved; and

NOW, THEREFORE, BE IT RESOLVED as follows:

SECTION 1. LEGAL AUTHORIZATION AND FINDINGS.

1.1 Findings. The Issuer hereby finds, determines and declares as follows:

(a) The Issuer is a body corporate and politic and a political subdivision of the State of Minnesota and is authorized under the Act to assist the revenue producing project herein referred to, and to issue and sell the Health Care Facility Revenue Bond (Gillette Children's Specialty Healthcare Project), Series 2016 (the "Bond") for the purpose, in the manner and upon the terms and conditions set forth in the Act and in this Resolution.

(b) The issuance and sale of the Bond by the Issuer, pursuant to the Act, is in the best interest of the Issuer, and the Issuer hereby determines to issue the Bond and to sell the Bond to BMO Harris Bank N.A., or another financial institution selected by the Borrower (the "Lender"), as provided herein. The Issuer will loan the proceeds of the Bond (the "Loan") to the Borrower in order to finance or refinance the Project.

(c) Pursuant to a Loan Agreement (the "Loan Agreement") to be entered into between the Issuer and the Borrower, the Borrower will agree to repay the Loan in specified amounts and at specified times sufficient to pay in full when due the principal of, premium, if any, and interest on the Bond. In addition, the Loan Agreement contains provisions relating to the construction, maintenance and operation of the Project, indemnification, insurance, and other agreements and covenants which are required or permitted by the Act and which the Issuer and the Lender deem necessary or desirable for the financing or refinancing of the Project.

(d) Pursuant to a Pledge Agreement (the "Pledge Agreement") to be entered into between the Issuer and the Lender, the Issuer will pledge and grant a security interest in all of its rights, title, and interest in the Loan Agreement to the Lender (except for certain rights of indemnification and to reimbursement for certain costs and expenses).

(e) The Bond will be subject to a Bond Compliance Agreement (the "Bond Compliance Agreement") to be entered into between the Issuer and the Borrower.

(f) The Loan and the Bond will be further secured by the Gillette Children's Specialty Healthcare, Series 2016 Master Note (the "MTI Note") issued under and pursuant to Supplemental Indenture No. 6 (the "Supplemental Indenture") supplementing and amending the Master Trust Indenture, dated as of January 28, 2005, (the "MTI") among the Borrower, certain other persons referred to therein as "Obligors", and Wells Fargo Bank, National Association in

Minneapolis, Minnesota as trustee (the "Master Trustee").

(g) The Bond will be a special, limited obligation of the Issuer. The Bond shall not be payable from or a charge upon any funds other than the revenues pledged to the payment thereof, nor shall the Issuer or the City be subject to any liability thereon. No holder of the Bond shall ever have the right to compel any exercise of the taxing power of the Issuer or the City to pay the Bond or the interest thereon, nor to enforce payment thereof against any property of the Issuer or the City. The Bond shall not constitute a debt of the Issuer or the City within the meaning of any constitutional, charter or statutory limitation.

(h) It is desirable, feasible and consistent with the objects and purposes of the Act to issue the Bond, for the purpose of financing or refinancing the costs of the Project.

(i) This Board, by action taken on April 13, 2016, gave preliminary approval to the Project. Application to the Commissioner of the Department of Employment and Economic Development of the State of Minnesota for approval of the Project as tending to further the purposes and policies of the Act has been made. The Bond shall not be sold to the Purchaser unless and until such approval is obtained.
