Adopting the North End-South Como District 6 Plan as an amendment to the Saint Paul Comprehensive Plan.

WHEREAS, upon a request by the District 6 Planning Council, the Planning Commission initiated a district plan and 40-acre zoning study for the properties within District 6 and established a task force ("Task Force") to develop a plan that focused on the industrial area southeast of the Como/Front/Dale intersection and consolidated policies from previously adopted small area and districts plans within District 6, and to make recommendations regarding their adoption; and

WHEREAS, the 40-acre zoning study included the area roughly bounded by Saint Albans on the west, Front and Hatch on the north, Western and Farrington on the east, and the railroad tracks and Larch on the south, and charged the task force to develop recommendations for the zoning study; and

WHEREAS, the 40-acre zoning study was expanded to include the area roughly bounded by Front on the south, Mackubin on the east, Lawson on the north, and Dale on the west; and

WHEREAS, the Task Force prepared a district plan and 40-acre zoning study entitled *North End-South Como District 6 Plan*, which was adopted by the District 6 Planning Council's Land Use Task Force and submitted to the City for consideration and adoption as an addendum to the Saint Paul Comprehensive Plan; and

WHEREAS, the *North End-South Como District 6 Plan* was reviewed by affected City departments for consistency with City policies as well as the City's adopted Comprehensive Plan; and

WHEREAS, following a duly noticed public hearing conducted on January 13, 2012, the Planning Commission, on February 24, 2012, recommended adoption of the *North End-South Como District 6 Plan* as an addendum to the Saint Paul Comprehensive Plan, and forwarded its recommendation to the Mayor and City Council; and

WHEREAS, following a duly noticed public hearing conducted before the Saint Paul City Council at which all interested parties were afforded the opportunity to be heard, the Council considered the recommendations, facts, and hearing testimony regarding the *North End-South Como District 6 Plan*, pursuant to the authority and procedures set forth under the state's Municipal Planning Act and Metropolitan Land Planning Act;

NOW, THEREFORE, BE IT RESOLVED, that the following plans, relevant policies of which have been incorporated into the *North End-South Como District 6 Plan*, be decertified:

- *Jackson Arlington Small Area Plan*, adopted December 10, 1991; and
- *Rice Street Small Area Plan* Summary, adopted September 7, 2005; and
- *Loeb Lake Small Area Plan* Summary, adopted May 24, 2006; and
- *District 6 North End-South Como Community Plan* Summary, adopted July 28, 2004, and amended August 17, 2005, and further amended August 2, 2006; and

BE IT FURTHER RESOLVED, that the City Action in *The Great Northern Corridor: A Community Vision Area Plan* Summary recommending the development of new housing in the area roughly bounded by Como, Front, and Western be decertified, as Policies LU1.1 and LU1.2 in the *North End-South Como District 6 Plan* establish an alternative approach for revitalization of this area; and

BE IT FURTHER RESOLVED, that the City Council hereby adopts the *North End-South Como District 6 Plan* as an addendum to the Saint Paul Comprehensive Plan, contingent upon its review by the Metropolitan Council and affected jurisdictions as required by Minnesota law.
