Authorizing the Department of Human Resources, through the Healthy Saint Paul program, to accept a donation from Ergotron of five (5) complimentary sit to stand workstation units.

WHEREAS Ergotron wants to give potential customers an opportunity to try out the sit to stand workstations for themselves in order to better understand the health and productivity gains that can be achieved through a healthier more active sit to stand work routine than is traditionally offered in sedentary work environments.

WHEREAS Ergotron feels giving customers this opportunity better equips them to make future business decision on a broader integration. The sit to stand units are free to keep with no obligation.

WHEREAS Ergotron has offered five (5) complimentary sit to stand units to the City of Saint Paul through its Healthy Saint Paul program. The sit to stand units will be placed initially in areas of high visibility and will be rotated among departments every eight weeks to allow for trial periods among City of Saint Paul employees.

RESOLVED that the Council of the City of Saint Paul hereby approves the five sit to stand complimentary units being offered to the City of Saint Paul with the understanding that there is no present or future obligation to purchase these units or any additional units.
