Amending Chapter 366A of the Saint Paul Legislative Code to require recycling at all parades, races or assemblies.

THE COUNCIL OF THE CITY OF SAINT PAUL DOES ORDAIN:

SECTION 1

Section 366A.04 of the Saint Paul Legislative Code is hereby amended to read as follows:

Sec. 366A.04. Application.

- (a) A person seeking a parade, race or public assembly permit shall file an application with the chief of police on forms provided by such officer and the application shall be signed by the applicant under oath. In order to ensure the timely appeal in the event of a permit denial, it is recommended that applications be filed at least sixty (60) days prior to the event. Nevertheless, any application filed within the minimum filing periods prescribed in subsection (b) below, shall be processed during business hours.
- (b) For single, nonrecurring parades, races or public assemblies, an application for a permit shall be filed with the chief of police as follows:

- (1) At least seven (7) business days in advance of the proposed event for parades or races of less than two hundred (200) participants and less than thirty (30) vehicles and animals;
 - (2) At least ten (10) business days in advance of the proposed event for parades or races of two hundred (200) or more participants, or thirty (30) or more vehicles and animals;
 - (3) At least five (5) calendar days in advance of the proposed event for public assemblies of less than one hundred (100) participants which will not interfere with the normal flow or regulation of vehicular traffic;
 - (4) At least seven (7) business days in advance of the proposed event for public assemblies of one hundred (100) or more participants or which will, regardless of size, interfere with the normal flow or regulation of vehicular traffic;
 - (5) No application shall be filed more than one hundred eighty (180) days before the parade, race or public assembly is proposed to commence.
 - (6) The chief of police may waive the minimum filing periods set forth above and accept an application filed within a shorter period if, after due consideration of the date, time, place and nature of the parade, race or public assembly, the anticipated number of participants, and the city services required in connection with the event, the chief of police determines that the waiver will not present a hazard to public safety. When determining whether to waive the minimum filing period, the chief of police may not consider the speech content of the event.
- (c) For parades, races or public assemblies held on a regular or recurring basis at the same location, an application for a permit covering all such parades, races or public assemblies during that calendar year may be filed with the chief of police at least sixty (60) and not more than one hundred eighty (180) days before the date and time at which the first such parade, race or public assembly is proposed to commence. The chief of police may waive the minimum sixty (60) days period after due consideration of the factors specified in subsection (b)(6) above.
- (d) The application for a parade, race or public assembly permit shall set forth the following information:
- (1) The name, address and telephone number of the person seeking to conduct such parade, race or public assembly; this person should be the person in charge or chairperson of the parade, race or public assembly;
 - (2) The names, addresses and telephone numbers of the headquarters of the organization for which the parade, race or public assembly is to be conducted, if any, and the authorized and responsible heads of the organization;
 - (3) The requested date of the parade, race or public assembly;
 - (4) The location of the parade, race or public assembly and the route to be traveled, including the starting point and the termination point;
 - (5) The hours when such parade, race or public assembly will start and terminate;
 - (6) The statement as to whether the parade, race or public assembly will occupy all or only a portion of the width of the streets proposed to be traversed;
 - (7) The location by street of any assembly areas for such parade, race or public assembly;
 - (8) The time at which units of the parade, race or public assembly will begin to assemble at any such area;

- (9) The intervals of space to be maintained between units of such parade or public assembly;
- (10) If the parade, race or public assembly is designed to be held by, or on behalf of, any person other than the applicant, the applicant for such permit shall file a letter from that person with the chief of police authorizing the applicant to apply for the permit on his behalf;
- (11) The type of parade, race or public assembly, including a description of activities planned during the event;
- (12) A description of any sound amplification equipment to be used in connection with the parade, race or public assembly;
- (13) The approximate number of participants (spectators are by definition not participants), including the type and number of animals and vehicles;
- (14) The approximate number of spectators reasonably anticipated;
- (15) A designation of any public facilities or equipment to be utilized; and
- (16) Where the event is in an area covering two blocks or less of sidewalks, streets or other public property, the addresses of any properties that abut the location of the parade, race or public assembly;
