Appeal of Jeff Matiatos to a Correction Notice - Complaint Inspection at 1554 JESSAMINE LANE.

On 3/28/14, I called DSI/Fire for disclosure of any and all information about the complaints substance, name of person and entity that made the complaint. DSI refused to disclose hearsay. Because the allegations in the Correction Notice are partially if not completely false, and based in inaccurate inspection data, and for lack of third party disclosure information denied to appellant, and appellant's submission of the actual chemicals in the residence with a flash point greater than 110 F, Fire Inspectors incorrect summary of the inspection is therefore a grounds for dismissal in part or entirely.
