1. The HRA Board of Commissioners hereby approves and designates the Developers as tentative developer for the Development Site for a period of eighteen (18) months from the date of approval of this Resolution subject to the terms and conditions of this Resolution. The HRA does reserve the right in its discretion to approve or not approve a final design of the Project, and decide whether to sell and convey the Development Site to the Developers.

Upon a termination, neither the HRA nor Developers have any further rights or obligations under this Resolution.

4. A development agreement must be submitted to and approved by this Board, but nothing in this Resolution, or the actions taken by Developers in connection with the Project, shall be construed to require this Board to approve a development agreement.
