Authorizing the Department of Parks and Recreation to apply for and if awarded accept Equity Grant funds from Minnesota DEED for the Right Track youth employment program in an amount of up to \$850,000 each year for SFY18 and SFY19 and to indemnify and hold harmless the State of Minnesota in the performance of the contract related to the grant funds.

WHEREAS, the Parks and Recreation Department is prepared to accept grant funds from the State of Minnesota through the Department of Employment and Economic Development (DEED) for Right Track, the City's Youth Employment Program; and

WHEREAS, the State of Minnesota requires that agencies accepting Equity grants through DEED leverage additional non-State funds; and

WHEREAS, in addition to City general fund and other in-kind support, the Parks and Recreation Department through its Right Track program has secured over \$500,000 in pledged youth wages from corporate partners for its YJ2 internships; and

WHEREAS, the City of Saint Paul has a huge unmet need for meaningful early work experiences for youth; and

WHEREAS, the mission of Right Track is to connect Saint Paul youth and young adults with meaningful work experience, training and career exploration opportunities so they are prepared to thrive and prosper; and

WHEREAS, nearly 150 corporations and community partners, including City departments, work in partnership with the Parks and Recreation Department to provide these work experiences for young people through Right Track; and

WHEREAS, the City Council finds that the Right Track program has a public purpose and the expenditure of funds through the promise of indemnification for the State of Minnesota during the City's performance of the

grant contract furthers that purpose; now, therefore, be it

RESOLVED, that the City Council of Saint Paul hereby authorizes the Parks and Recreation Department to apply for and if awarded accept youth employment grant funds from the Minnesota Department of Employment and Economic Development in an amount of up to \$850,000 each year during SFY18 and SFY19 and to indemnify and hold the State of Minnesota harmless in the performance of the contract related to the grant funds.
