WHEREAS, Chapter 293 of the Saint Paul Legislative Code was enacted to regulate the subject of noise in the City of Saint Paul; and

WHEREAS, §293.09 provides for the granting of variances from the sound level limitations contained in §293.07, upon a finding by the City Council that full compliance with Chapter 293 would constitute an unreasonable hardship on the applicant, other persons or on the community; and

WHEREAS, the ALS Association Minnesota North Dakota South Dakota Chapter, represented by Ryan Stauff, Vice President of Development, who has been designated as the responsible person on the application, has applied for a variance, at a requested sound level limit above 65 dBA at no specified distance, to present outdoor music and announcements at Lake Phalen Park during the Twin Cities Walk to Defeat ALS; and

WHEREAS, if applicant is not granted a variance applicant will not be able to present outdoor music and announcements at Lake Phalen Park; and

WHEREAS, the Department of Safety and Inspections has reviewed the application and has made recommendations regarding conditions for the variance; now, therefore, be it

RESOLVED, that the Council of the City of Saint Paul hereby grants a variance to the ALS Association Minnesota North Dakota South Dakota Chapter, subject to the following conditions:

1) The variance shall be for the hours of 8:00 a.m. to 1:00 p.m. on Saturday, September 16, 2017.

- 2) All electronically powered equipment used in conjunction with the event shall not exceed 85 dBA, as measured at 50 feet from the noise source.

- 4) All electronically powered equipment, PA systems, loudspeakers or similar devices shall be turned off no later than 1:00 p.m. on September 16, 2017.

FURTHER RESOLVED, that any violations of the conditions set forth above on the September 16, 2017 event date may result in denial of future requests for the grant of a noise variance, in addition to any criminal citation which might issue.
