WHEREAS, Policy 1.6 of the Land Use Chapter of the Comprehensive Plan states: "Explore the potential for accessory dwelling units in Established Neighborhoods;" and

WHEREAS, Policy 2.17 of the Housing Chapter of the Comprehensive Plan identifies accessory dwelling units as a housing type to allow the City's aging population to age in place while providing more affordable housing opportunities for singles and couple; and

WHEREAS, the Saint Paul Zoning Code, found in chapters 60 through 69 of the Saint Paul Legislative Code, is established to provide housing choice and housing affordability, to implement the policies of the

Comprehensive Plan, and to promote and to protect the public health, safety, morals, aesthetics, economic viability and general welfare of the community; and

WHEREAS, Section 61.801(a) of the Zoning Code calls for periodic review of said code to reflect current city policies and to bring the Zoning Code up-to-date; and

WHEREAS, on February 7, 2018, the City Council called for a study to explore expanding where accessory dwelling units would be permitted in the city; and

WHEREAS, the Saint Paul Planning Commission held a duly noticed public hearing on April 20, 2018, regarding amendments to permit accessory dwelling units in the RL - RM2 and T1 - T3 zoning districts within the Mounds Park area of Planning District 4, and all of Planning Districts 1, 3, 7, and 9; and

WHEREAS, the Comprehensive Planning Committee of the Saint Paul Planning Commission, having reviewed the public hearing testimony and a memorandum containing analysis provided by staff, provided a recommendation for consideration by the Saint Paul Planning Commission that would allow accessory dwelling units citywide, eliminate the minimum lot area requirement for accessory dwelling units within the principal structure, and permit accessory dwelling units in the RL one-family large lot residential district; and

WHEREAS, the Saint Paul Planning Commission, having reviewed the public hearing testimony and the Comprehensive Planning Committee's recommendation, finds the proposed text amendments to be supported by the policies of the Comprehensive Plan; and

WHEREAS, a public hearing before the City Council having been duly conducted at which all interested parties were given an opportunity to be heard, and having considered all the testimony and recommendations concerning the proposed zoning text amendments, including the Planning Commission's minutes and the Comprehensive Planning Committee's memorandum and their rationale for the recommended Zoning Code amendments, which the Council finds persuasive and thus hereby incorporates by reference into this ordinance for the specific purpose of articulating the Council's reasons and rationale for enacting the recommended amendments as set forth below in Sections 1 and 2, in addition to any other reasons the Council might articulate on the record in adopting these amendments the Council, having considered all the facts and recommendations concerning the proposed zoning amendments and pursuant to the authority granted by and in accordance with the procedures set forth in Minnesota Statutes Sec. 462.357 states as follows:
