THE COUNCIL OF THE CITY OF SAINT PAUL DOES ORDAIN:

SECTION 1

Sec. 310.01 of the Saint Paul Legislative Code is hereby amended as follows:

For the purposes of this chapter, any chapter of the Legislative Code pertaining to licenses as hereinafter mentioned, and subsequently enacted ordinances establishing or relating to the requirements for Class R, for routinely issued licenses, Class T for temporary licenses and Class N for licenses in which neighbors are required to be notified, under authority of the City of Saint Paul, the terms defined in this section shall have the meanings ascribed to them:

Adverse action means the revocation or suspension of a license, the imposition of conditions upon a license, the denial of an application for the grant, issuance or renewal of a license, the imposition of a fine, the assessment of the costs of a contested hearing, and any other disciplinary or unfavorable action taken with respect to a license, licensee or applicant for a license. "Adverse action" includes any of the foregoing directed at one (1) or more licenses held by a licensee at any location in the city. "Adverse action" also includes disapproval of licenses issued by the state under statutory provisions which permit the governing body to disapprove the issuance of the license.

Bond means a bond meeting the requirements of section 310.07 and indemnifying the city against all claims,

judgments or suits caused by, resulting from or in connection with any licensed business, activity, premises, thing, facility, occurrence or otherwise under these chapters.

Building official means the official in the department of safety and inspections charged with the responsibility of enforcement of the building code.

Chapters and *these chapters* shall mean this uniform license ordinance, any chapter of the Legislative Code pertaining to licenses as hereinafter mentioned, and subsequently enacted ordinances establishing or relating to the requirements for class R, class T and class N licenses under authority of the city.

Class R licenses means those licenses which can be approved and issued or denied by the director of the department of safety and inspections, subject to the procedures required by these chapters. The following licenses are so classified, and the numbers shown opposite them correspond to the chapters in the Legislative Code pertaining to each license.

Class T licenses means those licenses which must be approved or denied by the director, subject to the procedures required by these chapters. The following licenses are so classified, and the numbers shown opposite them correspond to the chapters in the Legislative Code pertaining to each license:

SECTION 2

Section 310.18 of the Saint Paul Legislative Code is hereby amended as follows:

Sec. 310.18. - License fee schedule.

Notwithstanding the provision of any other ordinance or law to the contrary, the following fees are hereby provided for all the licenses listed herein. These fees supersede all inconsistent provisions, including, but not limited to, graduated fee provisions, in these chapters and in other ordinances and laws, and include the fee for the license application as part of the license fee; provided, however, that this section does not amend or modify sections 310.09(a) or 310.09(d) of the Legislative Code with respect to exempt organizations or late fees. Pursuant to section 310.09(b) of the Legislative Code, these schedules shall be posted in the office of the director. These fees shall be effective for license renewals and new license applications occurring on and after January 1, 1995, or on the effective date of this section, whichever is later; provided, however, that with respect to all licenses whose renewal dates occur after the effective date of this new schedule, there shall be no increases in, nor offsets or refunds of, the existing fees paid, or due and owing.

SEE TABLE 2 - ENFORCEMENT LEVEL 5

SECTION 3

This Ordinance shall take effect and be in force thirty (30) days following its passage, approval and publication.
