The property was delivered 1 35-gallon Small Weekly cart (serial # 09182555) and 1 64-gallon Medium cart (serial #0918822950) on September 12th, 2018, prior to the start of citywide garbage service. Under citywide garbage service, all residential properties with up to four units, including rental homes and townhomes, are required to have a garbage cart and receive garbage service for each dwelling unit. The property owner must provide garbage service for all occupied dwellings. There is no option to opt out of the citywide garbage service. The property owner is responsible for paying the outstanding balance that is owed to the City, as garbage service was provided for both carts during Quarter 4 2018.
