Returned Mail/Notice Concerns?:

Stated Reason for Appeal (if given): The home is occupied and homesteaded by a single family, my daughter, her husband and two children. They recycle and compost. The duplex license has not been renewed. I called the provider in Louisville and made arrangements and paid the amount due. There have never been double bins out. It is inhabited by a single family/

Staff Comments: This property is classified as a two-family dwelling according to Ramsey County property tax records. The property was delivered 1 64-gallon Medium cart (serial # 0818815006) and 1 96-gallon Large cart (serial # 0918301660) on 9/13/18, prior to the start of citywide garbage service. Under citywide garbage

service, all residential properties with up to four units, including rental homes and townhomes, are required to have a garbage cart and receive garbage service for each dwelling unit. This was a policy decision made by the City Council to ensure that all occupied dwellings are receiving garbage service. There is no option to opt out of the citywide garbage service. The property owner is responsible for paying the outstanding charge, as garbage service was provided for 1 64-gallon Medium cart and 1 96-gallon Large cart from October through December 2018.

WHEREAS, the Office of Financial Services Real Estate Section has attached to this Council File both a report of completion outlining the costs and fees associated with Trash Hauling during Collection of Delinquent Garbage Bills for services during October to December 2018. (File No. CG1901A1, Assessment No. 190051) and the assessment roll including all properties for which these assessments are proposed for Council ratification; and

WHEREAS, the City Council's Legislative Hearing Officer has reviewed an appeal of this assessment and developed a recommendation for the City Council with respect to this assessment; and

WHEREAS, a public hearing having been conducted for the above improvement, and said assessment having been further considered by the Council and having been considered financially satisfactory; Now, Therefore, Be It

RESOLVED, that pursuant to Chapter 14 of the Saint Paul City Charter, said assessment is hereby reduced from \$230.79 to \$107.99, ratified and made payable in one installment.
