Stated Reason for Appeal (if given): Vacant property, no garbage ever collected

Staff Comments: This property is classified as a two-family dwelling in Ramsey County property tax records. According to City records, the property owner informed the City that two units at this property were vacant on 12/31/18. There was a vacancy hold placed on the property starting on 12/31/18. Because the City did not receive notice of a vacancy prior to 12/31/18, garbage service was not removed for the property. The property owner is still responsible for paying the delinquent charge, as garbage service was provided from October through December 2018.

WHEREAS, the Office of Financial Services Real Estate Section has attached to this Council File both a report of completion outlining the costs and fees associated with Collection of Delinquent Garbage Bills for services

during October to December 2018. (File No. CG1901E4, Assessment No. 190070) and the assessment roll including all properties for which these assessments are proposed for Council ratification; and

WHEREAS, the City Council's Legislative Hearing Officer has reviewed an appeal of this assessment and developed a recommendation for the City Council with respect to this assessment; and

WHEREAS, a public hearing having been conducted for the above improvement, and said assessment having been further considered by the Council and having been considered financially satisfactory; Now, Therefore, Be It

RESOLVED, that pursuant to Chapter 14 of the Saint Paul City Charter, said assessment is hereby deleted.
