**Staff Comments:** This property is classified as a two-family dwelling according to Ramsey County property tax records. The property was delivered 1 64-gallon Medium cart (serial # 0918820700) and 1 96-gallon Large cart (serial # 0818460306) on September 8th, 2018, prior to the start of citywide garbage service. The property is responsible for paying the outstanding balance that is owed to the City.

Under citywide garbage service, all residential properties with up to four units, including rental homes and townhomes, are required to have a garbage cart and receive garbage service for each dwelling unit. The property owner must provide garbage service for all occupied dwellings. There is no option to opt out of the citywide garbage service. The property owner may contact the garbage hauler to adjust the size of the

garbage carts to accommodate the service levels for the two Residential Dwelling Units at the property, but the City may not reduce the number of garbage carts at the property.

Chapter 220 of the Saint Paul Code of Ordinance states that:

- Each Residential Dwelling Unit shall be billed for all trash collection costs
- Failure to pay for services shall result in the special assessment of the costs of those services, along with any applicable fees, penalties or administrative costs against the real property on which the Residential Dwelling Unit is situated

RESOLVED, that pursuant to Chapter 14 of the Saint Paul City Charter, said assessment is hereby ratified and reduced from \$228.31 to \$115.40.
