Authorizing the Library to reallocate $54,046 within its various accounting units in the 2019 adopted budget to most accurately reflect the projected actual spending in each accounting unit and provide the appropriate levels of spending authority.

Administrative Order, consistent with the authority granted to the Mayor in section 10.07.4 of the City Charter and based on the request of the Director of the Saint Paul Public Library to amend the 2019 budget for the reallocation of funds within existing budgets. This is an attempt to have each individual accounting unit budget most accurately reflect the anticipated spending actuals at a detailed level, which will also allow for the availability of sufficient spending authority within these accounting unit budgets. Saint Paul Public Library wishes to reallocate a total of $54,046 in the various accounting unit budgets listed. The Director of the Office of Financial Services is authorized to amend said budget in the particulars as indicated in the attached financial analysis.
