WHEREAS, the Office of Financial Services Real Estate Section ("Real Estate") proposes to repair and restore large sections of the exterior walls on the north and west sides of the City Hall Annex ("CHA") building by restoring exposed beams and columns that have experienced spalling, improving the brick face by repairing, cleaning tuckpointing and sealing the brick, and affixing an insulated overlay to the east stairwell to reduce the possibility of interior heating pipes and fire standpipes freezing and bursting in the winter months ("Exterior Wall Restoration Project"); and

WHEREAS, OFS Real Estate has been working with a structural engineering consultant to conduct an assessment of the exterior walls and to prepare cost estimates, plans and specifications for the needed repair and restoration work; and

WHEREAS, the structural engineering consultant has completed its plans and specifications and OFS Real Estate now wishes to solicit bids for the work; and

WHEREAS, OFS Real Estate estimates the total cost of the Exterior Wall Restoration Project to be up to \$1,000,000; and

WHEREAS, the 2020 Operating Budget needs to be amended to provide spending and financing for the Exterior Wall Restoration Project; and

WHEREAS, OFS Real Estate proposes to finance the project through the use of an interdepartmental loan (up to \$500,000) and the use of fund equity (up to \$500,000); and

WHEREAS, there are available funds in Fund 700, (the "City Internal Loan Fund"), to make an advance in

2020; and

WHEREAS, the advance, until repaid, will bear interest at the monthly City treasury portfolio investment rate, ("Pool Rate"), which is variable and reset monthly by the City and will be paid as part of the project cost; and

WHEREAS, the advance will be secured by the City Hall Annex account in Fund 710 and repaid by annual space use charges and building rent paid by city departments and the Ramsey County Sheriff's office for occupancy in the City Hall Annex; and

WHEREAS, the Internal Loan has been documented in the Record of Internal Loan, which is attached in substantially final form, and will be repaid within three years of the initial City advance as shown in the illustrative example of the Exhibit; and
