Returned Mail/Notice Concerns?:

Stated Reason for Appeal (if given): Two carts were ordered at the inception of the citywide garbage program. At the time of delivery, the driver interpreted my husband's remark that we didn't really need two carts as a refusal of the second cart. Full and timely payment for both carts was made for three quarters. From December until July, multiple requests by telephone and in writing to provide the missing cart were ignored by Highland Sanitation. In July, a request was made to the city as a last resort to assist in getting the missing (paid for) cart delivered as all other attempts had been ignored. After another (strident) telephone call to Highland the missing cart was finally delivered the first week in July. Withholding payment for the cart that took 7 months to get delivered and requesting credit or a refund is the only lever I have to protest the total lack of responsiveness and dismal lack of customer service on the part of Highland Sanitation. I cannot take my business elsewhere.

Staff Comments: Highland Sanitation confirmed that the second cart had been delivered on July 11, 2019. Therefore, resident was receiving services for both a small 35 gallon and medium 64-gallon cart. Staff

recommends approval of the assessment.

RESOLVED, that pursuant to Chapter 14 of the Saint Paul City Charter, said assessment is hereby deleted.
