

WHEREAS, the City solicited applications from e-scooter vendors to provide e-scooter sharing services for the 2020 season; and

WHEREAS the city received an application from Lime to provide e-scooter sharing services and they are willing to comply with City ordinances regarding Shared Transportation Systems; and

WHEREAS, the contract with Lime includes an indemnification clause, whereby the City agrees to indemnify Lime for certain injury or damage arising from City employees' use of the scooters, which Council finds reasonable and necessary to effectuate e-scooter services; now, therefore, be it

RESOLVED, that the Saint Paul City Council hereby approves the attached agreement between the City and Lime to provide e-scooter sharing services for the 2020 season.
