WHEREAS, on June 15, 2020, the City's Office of Financial Services solicited proposals under a Request for Proposals (the "RFP") from financial institutions for the financing evidenced by the City's Ford Redevelopment Site Special Storm Sewer Charge and Subordinate Sewer System Revenue Bonds (Green Infrastructure Financing), Series 2020E (the "Series 2020E Bond") and five (5) responsive proposals were received on June 30, 2020 at the City's Office of Financial Services; and

WHEREAS, pursuant to the terms of this Resolution and the General Resolution, the City has elected

to supplement the General Resolution and pledge the Revenues of the Sewer System on a subordinate basis to the Series 2020E Bond and the pledge of the Revenues of the Sewer System to the payment of the Series 2020E Bond is junior and subordinate to the pledge of Revenues of the Sewer System to the Parity Bonds (as defined in the General Resolution); and

WHEREAS, the General Resolution contemplates Supplemental Resolutions which supplement or amend the General Resolution, including Supplemental Resolutions that override the provisions of the General Resolution for a series of Additional Bonds (as defined in the General Resolution) and authorizing the issuance of Additional Bonds secured on a parity or subordinate basis with the bonds initially issued pursuant to the General Resolution, which were originally the City's Sewer Revenue Bonds, Series 1988A (the "Series 1988A Bonds") and which are no longer outstanding; and

WHEREAS, Section 2.10 of the General Resolution provides that the terms of a Supplemental Resolution may override the provisions of the General Resolution for a particular series of bonds such as the Series 2020E Bond; provided that the terms of the Supplemental Resolution may not materially prejudice the holders of the outstanding bonds issued under the General Resolution, as supplemented and amended; and

WHEREAS, it is necessary and desirable to adopt this resolution as a Supplemental Resolution to the General Resolution to provide for the issuance of the Series 2020E Bond and a pledge of the Revenues of the Sewer System to the repayment of the Series 2020E Bond on a subordinate and junior basis to the City's outstanding (i) Sewer Revenue Bonds, Series 2011C (the "Series 2011C Bonds"); (ii) Sewer Revenue and Refunding Bonds, Series 2013D (the "Series 2013D Bonds"); (iii) Sewer Revenue Bonds, Series 2014E (the "Series 2014E Bonds"); (iv) Sewer Revenue Bonds, Series 2015B (Green Bonds) (the "Series 2015B Bonds"); (v) Sewer Revenue Bonds, Series 2016B (Green Bonds) (the "Series 2016B Bonds"); (vi) Sewer Revenue Refunding Bonds, Series 2016D (the "Series 2016D Bonds"); (vii) Sewer Revenue Bonds, Series 2017C (the "Series 2017C Bonds"); (viii) Sewer Revenue Bonds, Series 2018D (the "Series 2018D Bonds"); (ix) Sewer Revenue Bonds, Series 2019F (the "Series 2019F Bonds") and (x) Sewer Revenue and Refunding Bonds, Series 2020D (the "Series 2020D Bonds") which are the senior bonds outstanding under the General Resolution (collectively with any additional future senior sewer revenue bonds issued under the terms of the General Resolution (as amended), the "Parity Bonds"); and

WHEREAS, the Parity Bonds were issued by the City in order to finance or refinance rehabilitation projects to the City's Sewer System, including major sewer repairs, tunnel repairs and stormwater quality improvements, but have not financed any improvements in the District such as the Project; and

WHEREAS, the Project is an Improvement as defined in the General Resolution; and

WHEREAS, Revenues of the Sewer System in the sixth use at section 4.03(A) of the General Resolution have been pledged (on a subordinate basis) to the payment of the City's outstanding General Obligation Sewer Revenue Note of 2000 (the "General Obligation Note") with a final maturity of August 20, 2020 and to the Series 2020E Bond; and

WHEREAS, the Reserve Account established under the General Resolution will not be funded for the Series 2020E Bond and the current deposits in the Reserve Account will secure certain series of the outstanding Parity Bonds; and

WHEREAS, the provisions of Rule 15c2-12 of the Securities and Exchange Commission (the "Rule") do not apply to the Series 2020E Bond because such debt obligations of the City are not being publicly offered as securities that are governed by the provisions of the Rule and the City is not required to provide certain continuing disclosure with respect to the Series 2020E Bond.

Such amounts shall be transferred to the Revenue Bond Debt Service Account for the Series 2020E Bond not less than five (5) days prior to an Interest Payment Date or Optional Redemption Date, as the case may be. The Ford Site Special Sewer Charges shall be used solely for the payment and redemption of the Series 2020E Bond until their redemption in full. Amounts in the Ford Site Account may be released from the Ford Site Account after payment in full of the Series 2020E Bond. The Series 2020E Bond shall have a first priority lien on the Ford Site Special Sewer Charges and no other Bonds or obligations may be issued on a parity with the Series 2020E Bond.

The City shall utilize the Ford Site Special Sewer Charges prior to the use of the Revenues for the payment of the Series 2020E Bond. The Purchaser shall have a first priority lien on the Ford Site Special Sewer Charges and no other Bonds or obligations may be issued on a parity with the Series 2020E Bond. The holders of the Parity Bonds do not have any claim on the Ford Site Special Sewer Charges and the Ford Site

Special Sewer Charges are not to be used by the City to pay the debt service on any Parity Bonds.

(d) Operating Reserve Subaccount. The City Council shall take appropriate action in maintaining the balance on hand in the Operating Reserve Subaccount at the Operating Reserve Requirement.

As provided in Section 5.02 of the General Resolution, no portion of the proceeds of the Series 2020E Bond shall be used directly or indirectly to acquire higher yielding investments or to replace funds which were used directly or indirectly to acquire higher yielding investments, except (1) for a reasonable temporary period until such proceeds are needed for the purpose for which the Series 2020E Bond were issued, (2) as part of a reasonably required reserve or replacement fund not in excess of ten percent (10%) of the proceeds of the Series 2020E Bond (or in a higher amount which the City establishes is necessary to the satisfaction of the Secretary of the Treasury of the United States), and (3) in addition to the above in an amount not greater than \$100,000. To this effect, any proceeds of the Series 2020E Bond and any sums from time to time held in the Fund (or any other City account which will be used to pay principal or interest to become due on the Series 2020E Bond) in excess of amounts which under then-applicable federal arbitrage regulations may be invested without regard as to yield shall not be invested at a yield in excess of the applicable yield restrictions imposed by said arbitrage regulations on such investments after taking into account any applicable “temporary periods”, “minor portion” or reserve made available under the federal arbitrage regulations. In addition, the proceeds of the Series 2020E Bond and money in the Fund shall not be invested in obligations or deposits issued by, guaranteed by or insured by the United States or any agency or instrumentality thereof if and to the extent that such investment would cause the Series 2020E Bond to be “federally guaranteed” within the meaning of Section 149(b) of the federal Internal Revenue Code of 1986, as amended (the “Code”).

(e) Allocation of Investment Earnings. Investment earnings, net of rebatable arbitrage, shall be credited to the fund or account from which the investment was made.

20. Senior and First Priority Lien with Respect to Ford Site Special Sewer Charges.

The City has formed the District in order to provide for the funding and operation of the Ford Site Stormwater Utility as a separate stormwater utility that is part of the City’s larger Sewer System. The City has developed policies and procedures for the development of Green Infrastructure such as the Ford Site Stormwater Utility. The Ford Site Special Sewer Charges are unique charges that are being placed on the property in the Ford Site in connection with its redevelopment and such charges are not storm sewer system charges, sewer availability charges or other typical Sewer System charges or surcharges imposed on general users of the Sewer System. The residents in the City that live outside of the boundaries of the Ford Site are not subject to the Ford Site Special Sewer Charges. A schedule of the Ford Site Special Sewer Charges is set forth in Exhibit B attached hereto. The Purchaser shall have a first priority lien on the Ford Site Special Sewer Charges and no other Bonds or obligations may be issued on a parity with the Series 2020E Bond. The holders of the senior Parity Bonds do not have any claim on the Ford Site Special Sewer Charges and the Ford Site Special Sewer Charges are not to be used by the City to pay the debt service on any Parity Bonds.

21. Subordinate Bonds for the Pledge of System Revenues. To provide money for payment of the principal and interest on the Series 2020E Bond in the event that the Ford Site Special Sewer Charges are not sufficient for such purpose, the City hereby pledges to the payment of the Series 2020E Bond, on a subordinate and junior basis to Outstanding and future Parity Bonds, the Revenues of the Sewer System. The covenants made in Article V of the General Resolution shall apply to the Series 2020E Bond, except that paragraph 31 shall control and override Section 5.05 of the General Resolution. As provided in Section 5.05 of the General Resolution, each and all of the terms and provisions of this Resolution shall be and constitute a covenant on the part of the City to and with each and every Holder from time to time of the Series 2020E Bond. Additional Bonds with a parity or senior pledge of the Revenues of the Sewer System may be issued as provided in Article VI of the General Resolution. Suits by Bondholders, amendments and discharge with respect to the Revenues shall be governed by Article VII of the General Resolution; provided however that the

Ford Site Special Sewer Charge shall be handled specifically in the terms of this Resolution.

22. General Obligation Note; Priority; Sufficiency Finding. The General Obligation Note is hereby confirmed to have a priority of lien on Revenues on a parity with the Series 2020E Bond which pledge is subordinate and junior to the priority of lien of the Parity Bonds issued under the terms of the General Resolution, specifically the priority derived from their pledge of Revenues in the sixth use at Section 4.03(A) of the General Resolution. Pursuant to paragraph 10 of the Resolution authorizing the General Obligation Note, the Series 2020E Bond shall have a lien on Revenues that is on a parity with the General Obligation Note, specifically the priority derived from the pledge to the Series 2020E Bond of Revenues in the first use at Section 4.03(A) of the General Resolution. As required by said paragraphs 18 and 10, the City Council hereby finds, determines and declares that estimated Revenues of the Sewer System will be sufficient, with other sources and used in the order of the General Resolution, for payment of the General Obligation Note and the Series 2020E Bond.

23. No Funded Reserve Account. The Reserve Requirement for the Series 2020E Bond will be \$0 and the Series 2020E Bond, along with the Series 2020D Bonds, the Series 2019F Bonds, the Series 2018D Bonds, the Series 2017C Bonds and the Series 2016D Bonds, will not be secured by the Reserve Account that secures the other outstanding Parity Bonds. The Series 2020E Bond will never have any right to amounts on deposit in the Reserve Account.

24. Records and Certificates. As provided in Section 7.05 of the General Resolution, the officers of the City are hereby authorized and directed to prepare and furnish to the Purchaser, and to the attorneys approving the legality of the issuance of the Series 2020E Bond, certified copies of all proceedings and records of the City relating to the Series 2020E Bond and to the financial condition and affairs of the City, and such other affidavits, certificates and information as are required to show the facts relating to the legality and marketability of the Series 2020E Bond as the same appear from the books and records under their custody and control or as otherwise known to them, and all such certified copies, certificates and affidavits, including any heretofore furnished, shall be deemed representations of the City as to the facts recited therein.

All documents, certificates, and instruments relating to the issuance of the Series 2020E Bond, including the forms of the Series 2020E Bond may be executed and delivered by the Mayor, the City Clerk, and Director, Office of Financial Services, or their designees or executive assistants, or, in the case of the Mayor, the Deputy Mayor, as determined by Ballard Spahr LLP, as bond counsel to the City, and the Office of the City Attorney.

25. Negative Covenants as to Use of Proceeds and Ford Site Improvements. As provided in Section 5.03 of the General Resolution, the City hereby covenants not to use the proceeds of the Series 2020E Bond or to use the Improvements financed with the proceeds of the Series 2020E Bond, or to cause or permit them or any of them to be used, or to enter into any deferred payment arrangements for the cost of such improvements, in such a manner as to cause the Series 2020E Bond to be "private activity bonds" within the meaning of Sections 103 and 141 through 150 of the Code. The City reasonably expects that no actions will be taken over the term of the Series 2020E Bond that would cause them to be private activity bonds, and the average term of the Series 2020E Bond is not longer than reasonably necessary for the governmental purpose of the issue. The City hereby covenants not to use the proceeds of the Series 2020E Bond in such a manner as to cause the Series 2020E Bond to be "hedge bonds" within the meaning of Section 149(g) of the Code.

26. Tax-Exempt Status of the Series 2020E Bond; Rebate; Elections. As provided in Section 5.04 of the General Resolution, the City shall comply with requirements necessary under the Code to establish and maintain the exclusion from gross income under Section 103 of the Code of the interest on the Series 2020E Bond, including without limitation requirements relating to temporary periods for investments, limitations on amounts invested at a yield greater than the yield on the Series 2020E Bond, and the rebate of excess investment earnings to the United States.

The City expects that the two-year expenditure exception to the rebate requirements may apply to the construction proceeds of the Series 2020E Bond.

If any elections are available now or hereafter with respect to arbitrage or rebate matters relating to the Series 2020E Bond, the Mayor and Director, Office of Financial Services, or any of them, are hereby authorized and directed to make such elections as they deem necessary, appropriate or desirable in connection with the Series 2020E Bond, and all such elections shall be, and shall be deemed and treated as, elections of the City.

27. No Designation of Qualified Tax-Exempt Obligations. The Series 2020E Bond, together with other obligations issued by the City in 2020, exceed in amount those which may be qualified as “qualified tax-exempt obligations” within the meaning of Section 265(b)(3) of the Code, and hence are not designated for such purpose.

28. Negotiated Sale. The City has retained Ehlers and Associates, Inc. as an independent municipal advisor, and this Council has heretofore determined, and does hereby determine, to sell the Series 2020E Bond by private negotiation, all as provided by Minnesota Statutes, Section 475.60, Subdivision 2(9).

29. No Continuing Disclosure Requirement, but City to Comply with Existing Requirements. The City is not subject to the continuing disclosure requirements of Rule 15c2-12(b)(5), 17 CFR §240.15c2-12, promulgated by the Securities Exchange Commission under the Securities Exchange Act of 1934, as amended (the “Rule”), with respect to the Series 2020E Bond; provided, however, the City hereby agrees to comply with the filing requirements of its existing continuing disclosure undertakings for the outstanding Parity Bonds and make the required filings thereunder. The Purchaser may access the financial information relating to the Sewer System at the EMMA website maintained by the Municipal Securities Rulemaking Board while the Series 2020E Bond are outstanding. In the event annual audited financial statements for the City are not available from the Municipal Securities Rulemaking Board, the City shall provide such financial statements to the Purchaser within sixty (60) days after the City’s final acceptance thereof.

30. Override of General Resolution. The use of accrued interest, if any, on the Series 2020E Bond shall be as provided in paragraph 18, notwithstanding Section 4.04(B)(1) of the General Resolution.

In addition, as provided in paragraph 22, the Reserve Account will not be funded for the Series 2020E Bond and the Series 2020E Bond will not have any right, title or interest in the Reserve Account. The Reserve Requirement for the Series 2020E Bond will be \$0.

Notwithstanding Section 5.05 of the General Resolution, the terms and provisions of this Resolution shall be and constitute a covenant on the part of the City to and with only each and every Holder from time to time of the Series 2020E Bond.

31. Subordinate Bond Findings. It is hereby found, determined and declared that:

(a) The City does not have any outstanding bonds, warrants, certificates, or other obligations or evidences of indebtedness, or money borrowed for or on account of the Sewer System or indebtedness for which any of the Revenues of all or a part of the Sewer System have been pledged which are a prior lien on such Revenues, except the Parity Bonds.

(b) All payments required to be made prior to the date hereof into the various Funds and Accounts established by the General Resolution have been made.

(c) The proceeds of the Series 2020E Bond shall be used only for the purpose of funding the Project which is composed of Improvements to the Sewer System (as each of said terms is defined in the

General Resolution) but will be located wholly in the District.

(d) The annual Net Revenues of the Sewer System for each of the two (2) completed Fiscal Years immediately preceding the issuance of the Series 2020E Bond have been at least one and one-quarter (1.25) times, the maximum annual principal and interest coming due after June 1, 2019, on all Bonds (as defined in the General Resolution) having a parity of lien upon Revenues, including the subordinate and junior Series 2020E Bond proposed to be issued.

(e) This City Council, pursuant to advice from the Director, Department of Public Works, hereby finds, determines and declares that the estimated Revenues to be derived from the operation of the Sewer System during the term of the Series 2020E Bond will be more than sufficient to provide Net Revenues, which, together with the Ford Site Special Sewer Charges, are adequate to pay principal and interest when due on the Series 2020E Bond and on the Parity Bonds which are now outstanding and to maintain the Reserve Account required therefor.

(f) The Series 2020E Bond is a single term bond with a final maturity of June 1, 2030. The Series 2020E Bond has interest payments on each June 1 and December 1, commencing June 1, 2021.

32. Severability. As provided in Section 7.06 of the General Resolution, if any section, paragraph or provision of this Resolution shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such section, paragraph or provision shall not affect any of the remaining provisions of this resolution

33. Headings. As provided in Section 7.07 of the General Resolution, headings in this Resolution are included for convenience of reference only and are not a part hereof, and shall not limit or define the meaning of any provision hereof.
