Returned Mail/Notice Concerns?:

Stated Reason for Appeal (if given): Resident stated that he was told by city staff back in April 2020 that the city would be paying the Quarter 3 and Quarter 4 bills for residents until the appeal/litigation was straightened out

Staff Comments: Staff believes that the resident contacted us during a time when there was a lot of unknowns and there may had been some incorrect information provided. The resident will pay the Q3 2019 bill. He is up to date with the rest of the garbage bills. Therefore staff recommends removing the Quarter 4 2019 bill as a courtesy.

WHEREAS, the Office of Financial Services Real Estate Section has attached to this Council File both a report of completion outlining the costs and fees associated with Collection of Delinquent Garbage Bills for services during October to December 2019. (File No. CG2001C1-1, Assessment No. 200152) and the assessment roll including all properties for which these assessments are proposed for Council ratification; and

WHEREAS, the City Council's Legislative Hearing Officer has reviewed an appeal of this assessment and developed a recommendation for the City Council with respect to this assessment; and

WHEREAS, a public hearing having been conducted for the above improvement, and said assessment having been further considered by the Council and having been considered financially satisfactory; Now, Therefore, Be It

RESOLVED, that pursuant to Chapter 14 of the Saint Paul City Charter, said assessment is hereby deleted.
