Returned Mail/Notice Concerns?:

Stated Reason for Appeal (if given): Property owner stated that they called Advanced Disposal in May 2020 and requested that the service be suspended from June - September 2020. The customer service representative told the property owner that they would suspend service. However, the property owner stated that they received an invoice for Q3 2020.

Staff Comments: Staff confirmed with the hauler that there was no record of the property owner contacting them since the start of the coordinated collection. Therefore staff recommends approving the assessment.
