Stated Reason for Appeal (if given): Property owner submitted a vacancy on 04/24/2020. They want to know how many units were listed as vacant and time period during which the vacancy was applied.

Staff Comments: Staff confirmed that there was a vacancy submitted on 04/23/2021 for two of the three units. However, the property owner claims that there were two carts at the property during Q3 2020. Therefore staff recommends removing the cost of a single 64-gal cart with late fees for Q3 2020. This would reduce the Q3 2020 assessment to \$283.43.

WHEREAS, the Office of Financial Services Real Estate Section has attached to this Council File both a report of completion outlining the costs and fees associated with collection of Delinquent Garbage Bills for services during July to September 2020. (File No. CG2004A6, Assessment No. 200168) and the assessment roll including all properties for which these assessments are proposed for Council ratification; and

WHEREAS, the City Council's Legislative Hearing Officer has reviewed an appeal of this assessment and developed a recommendation for the City Council with respect to this assessment; and

WHEREAS, a public hearing having been conducted for the above improvement, and said assessment having been further considered by the Council and having been considered financially satisfactory; Now, Therefore, Be It

RESOLVED, that pursuant to Chapter 14 of the Saint Paul City Charter, said assessment is hereby reduced from \$390.45 to \$283.43.
