The City Council also hereby consents to the issuance of the Series 2021D Bonds by the Library Agency upon the terms set forth in the Library Agency Resolution and the Pricing Committee Certificate.

Section 3. Tax Levy.

3.01. Pledge of Tax Levy. For the purpose of paying the principal of and interest on the Series 2021D Bonds, there is levied a direct annual irrevocable ad valorem tax (the "Tax") upon all of the taxable property in the City, to be spread upon the tax rolls and collected with and as part of other general taxes of the City. The Tax will be credited to the Series 2021D General Obligation Library Refunding Bonds Debt Service Fund (the "Series 2021D Debt Service Fund") provided in the Library Agency Resolution providing for the terms of the sale of the Series 2021D Bonds and shall be established by the Director, Office of Financial Services as financial staff for the Library Agency. It is determined that the estimated collection of the foregoing Tax will produce at least five percent (5%) in excess of the amount needed to meet, when due, the principal and interest payments on the Series 2021D Bonds. The Tax so levied herein will be irrevocable until all of the Series 2021D Bonds are paid, provided that at the time the City makes its annual tax levies the Director, Office

of Financial Services may certify to the Auditor of the County (or the official of the City performing the functions of the Auditor of the County) the amount available in the Series 2021D Debt Service Fund to pay principal and interest due during the ensuing year, and the Auditor of the County will thereupon reduce the levy collectible during such year by the amount so certified.

3.03. General Obligation Pledge. If amounts on deposit in the Series 2021D Debt Service Fund are not sufficient to pay principal and interest on the Series 2021D Bonds, as the same become due, the full faith and credit and taxing powers of the City shall be and are hereby irrevocably pledged. If the balance in the Series 2021D Debt Service Fund is ever insufficient to pay all principal and interest then due on the Series 2021D Bonds payable therefrom, the deficiency shall be promptly paid out of any other funds of the City which are available for such purpose, including the general fund of the City, and such other funds may be reimbursed with or without interest from the Series 2021D Debt Service Fund when a sufficient balance is available therein.
