WHEREAS, on October 31, 2022, the City received a letter from Gleeson Architects that Tom Reid's would not be complying with the order; and

WHEREAS, given this statement, the Legislative Hearing Officer recommends the Council grant an extension for compliance with the order until such time as the 1) hazardous conditions presented by the adjacent property owner's collapsing wall and fence are abated - noting that this condition exacerbates the already existing hazard presented by the failing roof/framing on this property;

WHEREAS, the Legislative Hearing Officer recommends that this extension be granted only if this exterior
