NOW THEREFORE, BE IT RESOLVED by the City Council of the City of Saint Paul, Minnesota, as

follows:

1. The City hereby approves the multifamily rental housing project, the Housing Project described above, to be undertaken by the Borrowers pursuant to the Borrowers' specifications, and approves the Housing Program therefor, pursuant to the Act.

2. The publication of the notice of public hearing by HRA staff prior to the public hearing is hereby ratified.

3. On the basis of information available to the City it appears, and the City hereby finds, that the Housing Project constitutes a multifamily housing development within the meaning of subdivision 5 of Section 462C.02 of the Act; that the availability of the financing under the Act and the willingness of the City to furnish such financing will be a substantial inducement to the Borrowers to undertake the Housing Project, and that the effect of the Housing Project, if undertaken, will be to provide multifamily rental housing opportunities to residents of the City, and to promote more intensive development and use of land within the City.

4. The Housing Project, and the program to finance the Housing Project by the issuance of the Bonds, is hereby approved by the City subject to final approval by the Borrowers and the purchaser of the Bonds as to ultimate details of the financing of the Housing Project. This approval is given pursuant to the requirement set forth in Section 147(f) of the Code and the Act and is not offered for any other purposes, including, but not limited to, the tax consequences of this financing arrangement.

5. Pursuant to Chapter 72, Saint Paul, Minnesota Administrative Code, the City hereby authorizes and directs the HRA to issue the Bonds to finance the Housing Project and to implement the Housing Program and to take all actions necessary or desirable in connection therewith, and no further approval or authorization of the City shall be required.

6. The Borrowers have agreed and it is hereby determined that any and all costs incurred by the City or the HRA in connection with the financing of the Housing Project whether or not the Housing Project is carried to completion and whether or not approved by HRA will be paid by the Borrowers.

7. Ballard Spahr LLP, as bond counsel, and such financial institutions as may be selected by Borrowers, with the consent of the HRA, are authorized to assist in the preparation and review of necessary documents relating to the Housing Project and the financing program therefor, to consult with the Saint Paul City Attorney, Borrowers and the purchaser of the Bonds as to the maturities, interest rates and other terms and provisions of the Bonds and as to the covenants and other provisions of the necessary documents and submit such documents to the HRA for final approval.

8. Nothing in this Resolution or the documents prepared pursuant hereto shall authorize the expenditure of any municipal funds on the Housing Project. The Bonds shall not constitute a charge, lien or encumbrance, legal or equitable, upon any property or funds of the City or the HRA except the revenue and proceeds pledged to the payment thereof, nor shall the City or the HRA be subject to any liability thereon. The holders of the Bonds shall never have the right to compel any exercise of the taxing power of the City or the HRA to pay the outstanding principal on the Bonds or the interest thereon, or to enforce payment thereon against any property of the City or the HRA. The Bonds shall recite in substance that the Bonds, including the interest thereon, are payable solely from the revenue and proceeds pledged to the payment hereof. The Bonds shall not constitute a debt of the City or the HRA within the meaning of any constitutional, charter, or statutory limitation.

9. In anticipation of the issuance of the Bonds to finance all or a portion of the Housing Project, and in order that completion of the Housing Project pursuant to the Borrowers' specifications will not be unduly delayed when approved, the Borrowers are hereby authorized to make such expenditures and advances toward payment of that portion of the costs of the Housing Project to be financed from the proceeds of the Bonds, as the Borrowers consider necessary, including the use of interim, short-term financing, subject to reimbursement from the proceeds of the Bonds if and when delivered but otherwise without liability on the part

of the City or the HRA.

(a) The City Council hereby approves the assignment and assumption of the Met Council Loan and the Met Council Note, and hereby authorizes the appropriate City Officials to execute and deliver all documents as are necessary or appropriate in connection with AHPC Sibley Park LLC's assumption of the Met Council Loan and the Met Council Note and any other documents related thereto, or to take any other action with respect to any other subordinate loans related to the Housing Project.

10. The City Council hereby authorizes the appropriate City Officials or their proper designees to execute agreements and such other documents necessary to carry out this Resolution. The City may execute documents, certificates, and instruments relating to the issuance of the Bonds and the Housing Project by electronic signature. For purposes hereof: (i) "electronic signature" means a manually signed original signature that is then transmitted by electronic means; and (ii) "transmitted by electronic means" means sent in the form of a facsimile or sent via the internet as a portable document format ("pdf") or other replicating image attached to an electronic mail or internet message; or (iii) a digital signature of an authorized representative of any party provided by AdobeSign or DocuSign (or such other digital signature provider as specified by such party).

11. The City's PED Director, staff and legal counsel are hereby authorized and directed to take all actions necessary to implement this Resolution.
