Appeal of Kwasi Nanyakpe to a Notice of Condemnation Unfit for Human Habitation Order to Vacate and Vacant Building Registration Notice at 330 MAPLE STREET.

Extenuating circumstances leading to inability to attend appointments and make timely repairs. Some items on list are excessively picky and not safety issues.

(Note: the Notice of Condemnation was also being appealed, but the Legislative Hearing Officer determined that the appeal was filed too late; therefore, the appeal on the condemnation will not be heard. The appellant was informed of this on 11-16-10.)
