John Malencek, Chase Mortgage Bank

Inspector Essling reported that 1266 Fourth Street became a Registered Vacant Building on December 3, 2010. There would be no reason for the City to be providing garbage service at a Registered Vacant Building, so, the Department of Safety and Inspections (DSI) will recommend deletion of assessments for providing weekly refuse removal forward from December 1, 2010. Today's assessment totals \$225. He noted that he is seeing something odd in the record; there may be an error. He is not seeing any assessments for the month of November, 2010.

Mr. Malencek stated that the redemption period for this address ended in September 20, 2010. The house was occupied through December, 2010.

Mr. Essling stated that DSI recommends deleting the coming assessments for 12-3 through 12-20 for a total of \$575, as well.

Ms. Vang will recommend deleting the assessment. (Note: will recommend deleting J1106G and J1107G, future assessments, as well.)
