The family living at 573 Charles first learned of the inspection of their unit on May 2, 2011 when Inspector Martin arrived at their door. Since then, they have taken steps to address all life/safety issues within their control. The family will continue to address lingering issues with dog feces and mold. Al Harris from SMRLS is working with the family to monitor their progress and provide suggestions for improvement. The family has nowhere to go and will be made homeless by this condemnation.
