Appeal of Daniel J. Ruza to a Fire Certificate of Occupancy Inspection Correction Notice at 1842 ARLINGTON AVENUE EAST.

Original correction notice was made June 2nd and correction notice was sent sometime after. This notice was never received. When Inspector Thomas appeared for re-inspection, no one was present. Inspector Thomas stated he sent the original notice Certified mail. No one signed for this notice and no receipt was provided by Thomas. Witness statements are attached. I do not expect to be charged for additional inspections.

(Note: after appealed was filed, City Clerk staff attached the more timely July 13, 2011 notice to this appeal.)
